

30 Year ERT Anniversary
Sunday, May 18th, 2025
Museums in Rittergut Bangert
Bad Kreuznach

Dear All,

We invite you to celebrate our 30th anniversary with a unique event program!

Museum Römerhalle (10:00 – 10:45 a.m.)

The Roman Hall offers insights into antiquity. In the rustic ambience of a former barn, the finds from Kreuznach and its surroundings are presented. Outstanding exhibits are two mosaic floors from the Roman peristyle villa of the 3rd century, which is directly adjacent to the Roman hall. Further you can explore outside the ancient ruins.

Museum Schlosspark (11:00 – 12:30 a.m.)

The focus of the town's history collection is the development of the Bangert manor and its owners in connection with the town of Kreuznach. It shows the change from a free aristocratic manor to the representative castle of the upper bourgeoisie at the turn of the century. Particularly worth seeing are the sculptures of the local sculptor family **Cauer** and the changing exhibitions of contemporary art!

Lunchbreak (13:00-14:30 p.m.) - Bistro Körnchen, Am Kornmarkt 2

PUK – Museum für Puppentheaterkultur (15:00 -17:00 p.m.)

Experience and discover the whole world of puppet theater over the past 100 years. Among the puppets are famous marionettes from the Augsburger Puppenkiste, valuable theatralia on all 8 puppetry traditions recognized by UNESCO as a World Heritage Site and interactive stations.
